

PROGRAM BENEFITS

- Get assistance with employment and educational goals.
- Learn from experienced instructors.
- Get prepared for your apprenticeship.
- Achieve success with ongoing support throughout the program.
- Get ready for GED (high school equivalent), mature student's test and other exams.
- Prepare to earn Credit (OSSD).

WHAT WE OFFER

In a comfortable, small group setting, improve your skills in:

- Math
- Writing
- Study skills and test-taking
- Financial literacy
- E-learning
- Goal setting

The program is offered in Burlington. Transportation assistance may be available for eligible students.

UPGRADE YOUR SKILLS

This free program allows participants to learn in a welcoming, relaxing and student-focused environment. Students set their own goals and work at their own pace.

The Doorways program staff provide:

- A casual learning environment
- Daytime drop-in classes
- Free academic assessment
- Opportunity for students to build confidence
- Information and referral services

DOORWAYS TESTIMONIALS

“It prepared me for the Home Reno program and that program is preparing me for my future. Doorways is a stepping stone.”

Fulton

“Just do it. Don’t hesitate to go to Doorways and get the assistance you need to succeed. Doorways made getting my GED easy.”

Tyler

“Doorways helped me sharpen the skills that I needed to succeed in the trade of my choice. Without it, I would never be able to pursue the dream I have to be an electrician.”

Marc

“Doorways helped me get my GED. It was helpful and opened up opportunities to me. I would recommend it.”

Ainsley

WHAT’S AFTER DOORWAYS? FUTURE PATHS

Employment Services:

The Centre offers Employment Ontario funded employment services to define employment goals, create a long-term career plan and connect to job opportunities.

Further Education:

Many Doorways students continue their studies. They may:

- Obtain additional credits or OSSD at an adult high school
- Attend college or trades school
- Continue on to university

Skilled Trades Training:

The Centre offers Skilled Trades Training in the following trades:

- Electrical
- Home Renovation
- Millwright & Machinist
- Women in Skilled Trades: Enhanced General Carpentry

Financing options available.

Job Opportunities or Advancements:

Getting a GED and/ or upgrading academic skills can often lead to:

- New job opportunities requiring those skills
- Securing full-time permanent positions
- Passing tests to join unions and trade organizations
